## Kiddie Kangaroo

Stop rooting around for fallen toys while you're driving! The Kiddie Kangaroo easily attaches to your child's car seat (and stroller) to provide extra storage space for sippy cups, books and toys. The Kiddie Kangaroo is made of cloth, is washable and collapses for storage. At only \$19.95, it's a nice convenience to have! For colors and ordering information, go to [www.kiddiekangaroo.com](http://www.kiddiekangaroo.com).
